Some do not support KS

- Original version was widely supported
- Mark 2 has disappointed many employers
- Shenanigans now makes it worse

Employing people is difficult enough

- Understanding of market fluctuations
- Administration difficulties
- Holiday and withdrawal criteria issues
- Employers easy to blame and are *johnny on the spot*

Most common business reasons

- Integrate existing super scheme with KS
- Gain exemption from automatic enrolment rules
- Go above legislation and use it as a recruitment and retention tool – may need special provisions in trust deed

Other issues

- What Australian businesses operating in NZ are saying
- Mallard's attack
